

Blessed Hope Academy
Financial Assistance Application

Procedures for financial assistance:

1. Request and complete a Financial Assistance Request Form
2. Request and complete a Financial Assistance Application

Blessed Hope Academy awards financial assistance taking into consideration:

- Students with five or less credits needed to graduate
- Students paying their own tuition who are 19 or more years old
- Single parents/working families
- Grandparents with custody of grandchildren
- Low income two parent working/families

The Financial Assistance Request Form must accompany the Financial Assistance Application explaining the situation. Please document the special consideration (Example: Letter from doctor.)

Single parents must be receiving child support. If no child support is being received a letter (form) for Special Consideration must accompany this application. Include information regarding present status with the State Attorney General's office to collect child support.

Copies of income tax forms for the most current year must be submitted with these forms to be considered for financial assistance.

The school will determine the amount to be discounted. The determination will be made with the information provided by parents and student as well as the student's progress records from the previous school year.

Financial Assistance can be withdrawn if the student fails to apply themselves to their studies, does not successfully test regularly, fails to comply with the school's rules and policies, or does not pay the agreed portion of the tuition on time.
